

tech build 2019

For 25 years, Habitat for Humanity Greater Ottawa (Habitat GO) has been building strength, stability and self-reliance through affordable home ownership. Future homeowners contribute 500 hours towards the construction of their home then pay an affordable mortgage that is geared to income. To date, we have served 76 families in need of a safe and stable place to call home.

Tech Build celebrates the collaborative environment of the industry and its shared commitment to building stronger communities. We want to show everyone what the collective power of the tech industry can do!

How do we get involved?

Habitat Build Days are Ottawa's most unique team-building opportunity! Your company can support Tech Build and receive exclusive sponsorship benefits. Partnership with Habitat GO means that you're teaming up with one of the most trusted and recognized non-profit organizations in North America.

For only \$5,000, your team will get to spend the day on our Orleans site, building homes alongside our construction team and families. It's the perfect opportunity to step away from the corporate world and focus on teambuilding while making a meaningful difference for a local family.

Our goal is to raise \$100,000 to support Habitat GO's largest development to date: a 16-townhome community in Orleans.

Your company will receive:

- 🔑 Photo opportunities on the build day and a group photo with your company logo
- 🔑 Sponsorship acknowledgment in Habitat GO's Annual Report
- 🔑 Your company name on Habitat GO's website and in social media content related to Tech Build 2019
- 🔑 Invitation to our Groundbreaking and Dedication Ceremonies
- 🔑 Company name recognition at Habitat GO's Steel Toes & Stilettos Gala

Build your brand with Tech Build!

Not only is partnering with Habitat GO a great way to help families and communities, it's good for business. The Harris Poll 2016 Equitrend Equity Score ranked Habitat for Humanity as one of the world's most recognizable brands. Additionally, based on overall scores, and for the second consecutive year, Habitat for Humanity was named Brand of the Year in the social services non-profit category.
