WOMEN BUILD 2019

Habitat for Humanity Greater Ottawa (Habitat GO) is calling on women from all walks of life in the Greater Ottawa area to join us in building strength, stability and independence for local families.

Women Build promotes empowerment, solidarity, learning and pride in our city. From 2015 to 2016, we rallied over 200 women to raise nearly \$190,000 for local families in the Greater Ottawa area.

Women Build is back for Habitat GO's 25th anniversary!

This year marks 25 years of building homes and building hope for families in Ottawa. In 2019, let's have a bigger, bolder Women Build. Let's show the world what the collective power of women can achieve!

Planning for next year's Women Build will begin summer 2018.

OUR GOAL

To raise \$125,000 through fundraising and sponsorship opportunities.

100% of the funds raised will go towards building homes in the Greater Ottawa area including our current Leacross Landing development in Orléans.

INTERESTED IN JOINING?

Your job will be to lead or join a team of 10-12 passionate, diverse, local women who will raise funds and awareness in their communities. Form your team in your workplace or through friends and family. Past Women Build groups have amazed us with their creative fundraising initiatives, community spirit and commitment to helping families build a better future.

Successful teams who reach their fundraising goals will have a day on our build site where they will have a hand in building homes for future Habitat GO families. No skill required!
