

Together, women build homes, community, and hope.

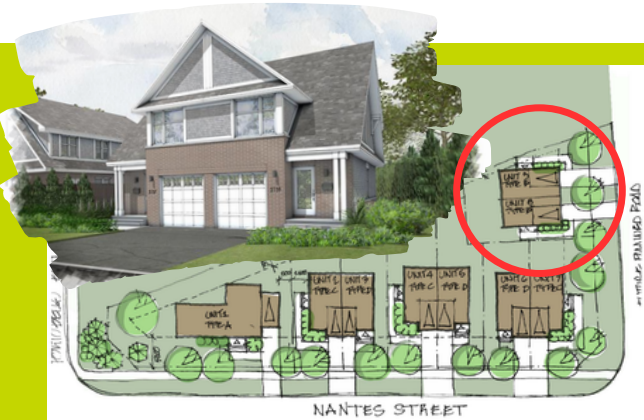

Habitat for Humanity Greater Ottawa's Women Build days are for women who want to make an impact in their community! Get a group of 10 women together to raise \$6000 or ask your employer to sponsor a group of staff. Then, join us in building strength, stability and self-reliance for local families - and have a great time while doing it!

The best part? **Anyone can participate – even if they've never picked up a hammer!**

Habitat Greater Ottawa provides your Women Build team with the platform and support to help successfully reach your \$6000 fundraising goal!
