Ottawa, ON – Join Habitat for Humanity Greater Ottawa for the 20th annual Steel Toes & Stilettos Gala. Presented by Laurin, the Gala raises critical funds to help families access safe and affordable homeownership. This year, Habitat aims to raise $500,000 during the Gala – enough to build a home for one family – and potentially setting a record for most funds raised in the Gala's 20-year history.

With the growing housing crisis continuing to challenge communities in Ottawa and across Canada, bold action is needed now more than ever. As the **only** charity in the city that provides safe, secure and affordable homeownership for local families, all proceeds raised from the Steel Toes & Stilettos Gala will go towards supporting Habitat Greater Ottawa's affordable housing developments.

By attending, guests play a direct role in creating both immediate and long-term solutions to the local housing crisis, helping families achieve safety, stability and independence through affordable homeownership.

About Habitat for Humanity

With the help of local Habitat families, donors, community partners and volunteers, Habitat for Humanity Greater Ottawa brings people together to build homes, community and hope.

Habitat's homeownership program offers more than just housing; it sets families up to be successful homeowners who are invested in their homes and in their community. The benefits of owning a long-term stable Habitat home are many. They include reduced reliance on social housing and food banks, better educational, financial and employment outcomes and improved health and overall wellbeing for families.
